

X00 Coordination Committee

Management • Information sharing • Mutual education
Young researchers training • Research Support

Group A01 |
The effect of radionuclides on
the atmosphere

Group A02 |
The effect of radionuclides on
the ocean

Group A03 |
The migration of
radionuclides on the land

Group A04 |
The existence form of
radionuclide and development
of measurement techniques

Multidisciplinary Research

A1-1 Atmosphere

A1-2 Land atmosphere

A2-3 Ocean

A2-4 Marine ecosystems

A3-5 Migration process at land

A3-6 Terrestrial ecology

A4-7 Chemical forms

A4-8 Development of measurement
Technology

Database Working Group
